Sick Child Policy

We believe that most people prefer to be home in a comfortable environment when they are ill; this is especially true for children. We also believe that it is sometimes dangerous, to knowingly expose others to an illness. For these reasons, we ask that no sick children attend The Boulevard for our experiences.

Symptoms that would exclude a child from care include:

- **Fever of more than 99 degrees within the past 24 hours**
- **Unexplained rash or sore**
- **Discharge from eyes, ears or nose**
- **Vomiting or Diarrhea**
- **Productive cough or dry cough lasting more than 1 week without doctor attention**
- **Any illness or injury that keeps a child from participating in regular activity**

Thank you for doing what is necessary to keep your family safe and healthy. We will see you next week.
